

In Mary Kay

We believe women don't need makeup or skin care to be beautiful. We believe women are beautiful and valuable with or without it. We use our products to enhance a woman's beauty and confidence she already has, to help her shine more.

We believe in community & connectedness & that women are better together. There is such a rise in loneliness, anxiety, & depression so we want to create a space where women can connect to celebrate each other & their unique beauty.

We're more than a product, we're a Brand!

We're a brand with a purpose. Built by women, for women. Opportunity is what we create. Beauty is what we sell. Hope is what we give back. We believe in the empowerment of women. Everything we do is with a desire to help them feel beautiful inside and out. And create personal relationships like no other brand.

It fits your life, so you can balance the important things in your life and put them first while still running a successful Mary Kay business. Whether you decide to go all in with the *Mary Kay* Starter Kit or start your business digitally with the *Mary Kay* eStart, you can earn up to 50% profit on the *Mary Kay* products you sell at suggested retail. And know, you are in business for yourself, but never by yourself!

We're a Company with a heart

Through our Mary Kay Ash Foundation, we have donated \$78 million to help end domestic violence and eradicate cancers affecting women. Our products are made in the USA, at our zero-landfill manufacturing plant. When you do business with Mary Kay, not only are you supporting an independent Beauty Consultant and her dreams, but you are also supporting a company that gives back and makes a difference.
